Zeke Faux from bloomberg tells me he was just at your offices and "saw them" and said he "knows it's true". What exactly I'm not sure. No one should let a reporter i to the office or talk to the media until we know the facts

To confirm we have been served by the SD, correct? Were any files taken? Can you send me the subpoena please and does Gregg D know this yet? Send all media to me. I will prepare a draft statement for review.

Off the record, sorry he has mole. I did an investor call but I didn't give him any info, he must have source who was on call; I did stress situation is fluid. We haven't made any final decisions yet.
